

Parish Council Minutes

30 September 2025

Pastoral Report: Need to check availability re: Donna Cori (March 6th or 20th, 20th is preferred)

Father recommended switching next year's STM's festival from Sunday to Saturday, and

next year's DLA Fiesta from Saturday to Sunday

Adam Lee offered the assistance of Scout troops with setup & teardown

Parish Report (Chad) Terry (Maintenance) retired on Wednesday, September 24th.

Mass was offered on Friday (date?) for him

Terry's replacement is doing very well (accomplishing a lot?)

The first Youth Mass was held on (date) and had approximately 200 people in attendance.

It was noted that there was also a baptism at the same mass

The bathrooms at both STM and SJA / DLA schools are complete.

Estimates were given for gym and lunchroom bathrooms (at SJA? Both?)

It is too expensive to complete both of those bathrooms, but we do new stalls for both

STM has "leftover" stalls that can be used

There have been 2 issues with the new STM girls' bathroom (one on the first day of use)

Graffiti and a toilet plugged with toilet paper

Father was not notified of either incident.

Intent to require notification from STM of further incidents

the parish is still responsible for repairs and maintenance

intent to request (Daulton's?) phone number for short-notice issues

Questions asked about the app that was attached to the directory

Answer: "We do have it, but it's a joke" (Not worth attempting to use)

There is an expectation that the "freebie" parish directory should show up around Christmas

Should include individual contacts and parish group contacts, but no pictures

Evangelization Update Initial contact made with Alison's Evangelization Committee members
